### Upcoming Events

#### Buprenorphine Boot Camp

Join faculty presenters on Friday, October 16 for this free boot camp intended for providers who have a Buprenorphine Waiver or recently completed waiver training. This event is free, but registration is required. [Click here](#) for more information!

#### ACMT Total Tox Course

The 2021 ACMT Total Tox Course is a comprehensive review of the scope of emergency toxicology and will include cutting-edge interventions and management options for poisoned patients. Prominent experts in medical toxicology and emergency medicine will

lead the course. WISAM members receive a discounted rate, [register here](#) for one, two or all three days in February 2021.

## Wisconsin Doctor Day

Whether you're a seasoned veteran or brand new to the legislative process, attending Doctor Day will provide you with advocacy tools and skills to make your voices heard. [Sign up today](#) and join colleagues from all across Wisconsin at the Capitol on May 5, 2021.

---

## Buprenorphine X-Waiver Training Webinar Series

Take advantage of WISAM's X-Waiver Training Webinars, there are only TWO dates remaining for the year. If you are a Wisconsin provider eligible to prescribe buprenorphine and interested in participating in one of the webinar trainings, please register through the link below! These trainings are FREE, but registration is required.

Friday, October 23, 2020 | 12:30 - 5:00 PM | Zoom Webinar

Tuesday, November 17, 2020 | 12:30 - 5:00 PM | Zoom Webinar

THE ASAM

## Treatment of Opioid Use Disorder Course

*Includes Waiver Qualifying Requirements*

---

## National Addiction Treatment Week

October 19 - 25, 2020

This year, National Addiction Treatment Week's focus will be to encourage clinicians and providers who work in a variety of medical settings and specialties to learn more about addiction and evidence-based treatment and consider career paths that emphasize the field of addiction medicine. When patients are treated appropriately by medical professionals trained in addiction medicine, we can save lives and improve treatment outcomes.

National  
Addiction  
Treatment  
Week

Learn about the need to expand the qualified addiction medicine workforce. Follow National Addiction Treatment Week or **#TreatmentWeek** on social media:

## COVID-19 Resources

WISAM's [COVID-19 Resources](#) webpage has national and state news, updates and other resources including mental health information.

[ASAM's website](#) is another great tool and includes information from the CPDC Task Force made up of national experts.
