## COURSE DESCRIPTION

Conference educational sessions will cover a wide array of topics on prevention, treatment and recovery.

## LEARNING OBJECTIVES

- Describe prevention and treatment options of opioid and other substance use disorders.
- Evaluate current knowledge and communication gaps in addressing substance use disorders.
- Discuss efforts to curtail the impact of substance use disorders, especially the epidemic of opioid use disorders and overdose deaths, in Wisconsin.
- Review evidence-based approaches to treating substance use disorders and co-occurring mental health problems.
- Identify collaborative efforts that can be implemented to reduce the impact of substance use disorders in Wisconsin.

## CONFERENCE HANDOUTS

Conference handouts will be available electronically approximately one week prior to the conference, providing attendees with the option to review, download or print the materials in advance. No printed session handouts will be available on site.

## ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American Society of Addiction Medicine (ASAM) and the Wisconsin Society of Addiction Medicine (WISAM). The American Society of Addiction Medicine is accredited by the ACCME to provide continuing medical education for physicians.

## DESIGNATION

The American Society of Addiction Medicine designates this live activity for a maximum of 16.5 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This course has been approved by the American Board of Addiction Medicine (ABAM). Physicians enrolled in the ABAM Transitional Maintenance of Certification (Tmoc) Program can apply a maximum of 16.5 *AMA PRA Category 1 Credit(s)*™ for completing the “*Road to Recovery: The Science of Addiction and Practical Applications*” course.

## CREDIT HOURS BY DAY

Thursday: Maximum of 6.0 credits  
Friday: Maximum of 4.5 credits  
Saturday: Maximum of 6.0 credits

## MEB OPIOID PRESCRIBING EDUCATION

This live course has been approved by the Wisconsin Medical Examining Board as meeting the requirements for the two-hour continuing education course on responsible opioid prescribing per Med 13.03(3) of the Wisconsin Administrative Code.

## EVALUATION & CLAIMING CREDIT

At the conclusion of this activity, participants will be provided with a link to complete an evaluation and claim credit for their participation.

## TARGET AUDIENCE

This educational activity is designed for individuals working in addiction prevention and treatment across disciplines, including physicians, physician assistants, nurse practitioners, nurses, pharmacists, psychologists, social workers, mental health and substance abuse counselors, recovery coaches, law enforcement, public health and other professionals.

## REGISTRATION DETAILS

Conference registration fees include lectures, electronic access to handouts, meals, breaks and access to exhibit hall. Separate registration rates are available for full conference or one-day attendance. Please include any special requests (e.g. physical, dietary, etc.) on the registration form. See Registration Form for fee information, or contact [WISAM@badgerbay.co](mailto:WISAM@badgerbay.co) with questions.

**Early Bird Discount Deadline – August 15, 2018!** Register by August 15 to take advantage of Early Bird rates. Registration and payment must be received by the deadline to qualify for discounted rates.

A \$50 administrative fee will apply to all cancellations and requests for refund. No refunds will be provided after September 10, 2018.

## NETWORKING OPPORTUNITIES

Opportunities will exist throughout the conference for attendees to interact and network with colleagues, including the Thursday evening reception. Also, on the conference app and online. On the conference app and at the registration table, attendees will have an opportunity to sign up for small-group dinners (at attendees’ expense) on either Thursday or Friday nights in Madison.

## CONFERENCE VENUE & PARKING

The conference will take place at The Pyle Center, located one block off of State Street in downtown Madison, home to a wide variety of shops, restaurants, art galleries, and music venues. The Pyle Center offers ample meeting and reception space, food and beverage services. Complimentary Wi-Fi access is available to all attendees.

Hourly parking is available at the State Street Campus Garage, a municipal parking ramp just over one block from Pyle and Lowell Centers. Limited metered street parking is also available. Attendees may request a parking permit to park at Lot 6 (Helen C. White Garage) for \$14 per day, or at Lot 83 (Fluno Garage) for \$12 per day. Requests must be made at least two weeks prior to the conference.

## OVERNIGHT ACCOMMODATIONS

Rooms are available on a first come, first served basis at The Lowell Center, 610 Langdon St, Madison, WI 53703 (adjacent to The Pyle Center). A discounted rate of \$115/standard or \$124/deluxe is offered in the WISAM room block if booked prior to August 29, 2018. Book online (case sensitive) at: <http://bit.ly/wisam26sep> or call the Lowell Center at 608-256-2621 and mention group code: WISAM.

## FEATURED PRESENTERS

William Cope Moyers is the vice president of public affairs and community relations for the Hazelden Betty Ford Foundation, based in Minnesota. As the organization’s public advocate since 1996 Moyers carries the messages about addiction, treatment and recovery to audiences across the nation. He has appeared on Larry King Live, the Oprah Winfrey show, Good Morning America and National Public Radio. Moyers is the author of several books including Broken: My Story of Addiction and Redemption, a New York Times best-selling memoir published in 2006 that is still in print. He lives in Saint Paul.

Judge Everett Mitchell is a circuit court judge in Dane County, currently handling juvenile cases. Elected in April 2016 at age 39, he is one of the youngest circuit court judges in Wisconsin. He earned his undergraduate degrees in Mathematics and Religion at Morehouse College in Atlanta in 2000, and is a 2010 graduate of the University of Wisconsin Law School. He has worked as an assistant district attorney and as director of community relations at U.W. Madison, and has volunteered his time doing pro bono work as an advocate for those who can’t afford a lawyer. He is also a pastor at Christ the Solid Rock Baptist Church in Madison.
