WISAM Virtual Conference Series

The Wisconsin Society of Addiction Medicine Board was very excited to offer its first Virtual Conference Series this year, in place of the in-person Annual Conference that was cancelled due to COVID. We are very appreciative of the many who registered for the series, and to all who continue to support the important work of WISAM.

Preliminary evaluations from the live conference sessions have had positive comments and feedback, which are very helpful in the pursuit of planning for 2021.

Recordings from the WISAM Virtual Conference Series are now available on-demand. Register here for one, two or all three days of the conference to access the recordings and CME evaluations. [Click here to register.](#)

ASAM Elections

The ASAM 2020 National election is NOW open through December 7, 2020.

ASAM's Officers and Board of Directors define the strategy and direction of ASAM and ensure our policies, programs, and services align with ASAM's mission. This year we are selecting who will represent our chapter on the ASAM Board as regional director. This is an important election and I encourage everyone to participate.

The individuals elected represent YOU and speak as the voice of addiction medicine for ASAM. Make your voice heard by casting your electronic vote TODAY for ASAM's 2021

Officers and Regional Directors.

Physician members should have received a special email from ASAM's election vendor Survey & Ballot Systems with your unique, encrypted, ballot link. Check your email and vote today! [Click here](#) to preview this year's nominees.

**If you do not have your election login information, please [click here](#), enter your email address that is on file with ASAM, and your election login information will be emailed to you.

**ASAM National Elections
Open Nov 23. Vote!**

Virtual Exhibit Hall

WISAM 2020 Virtual Exhibit Hall

Analogous to having display booths at a conference, this space offers companies an opportunity to share information about their products and services, showcase their latest innovations, and connect with addiction medicine physicians

and other addiction medicine providers. Please visit our exhibit "booths" to learn about products and services that could enhance your practice knowledge and accelerate your research.
